How to update your camera sensor database.

- Download the file "cameraSensors.db" from Blackboard
- Go to your Meshroom install folder and locate the v2019 "cameraSensors.db" file: e.g.
 - \Meshroom-2019.2.0\aliceVision\share\aliceVision

• Replace the 2019 file with the updated "cameraSensors.db" that you

have just downloaded

Meshroom-2019.2.0 → aliceVision	n > share > aliceVision	~ (را Searc
